Aramark K-12 Dining Food Service
Mt Carmel

Dear Mt Carmel Families,

I hope you are having a wonderful summer and enjoying time with friends and family!

I would like to take this opportunity to welcome your student(s) back to Aramark Dining Services for the 2020-2021 school year. During these unprecedented times we want you to know that keeping your students safe while eating with us is our #1 priority.

With the weeks quickly passing, we have been busy working alongside school leadership to determine what is the safest dining solution and option(s) to offer students when they come back to school.

This year we will be rolling out a new preorder system. This will create a safe food service model which allows students to eat in their classrooms. More information to come!

As we complete our opening preparations, we want to share with you our key areas of focus this year.

- Focus on Students
- Maintain Safe Environments
- Adapt our Operations
- Engage our Teams

With school officially opening for students we have a lot to accomplish, but we are excited to finally be back with the best customers we know...our kids!

Please email piano-james@aramark.com with any questions you may have.

In the time remaining, continue to relax and enjoy the summer. We look forward to the start of the school year.

Sincerely,

James Piano
