

OUR LADY OF MOUNT CARMEL SCHOOL

Covenant Agreement 2022-2023

I/we understand:

- * that our parish maintains our parish parochial school to further the teaching mission of Christ and His Church;
- * that this is central to the religious education and academic programs and is the primary reason why the program exists.

I/we agree:

- * that enrolling my/our child(ren) in our parish school means that I/we will allow them to participate fully in all its aspects, including not only instruction in the Catholic faith, but also traditional activities and liturgical celebrations that strengthen Christian faith;
- * that the most important of these liturgical celebrations is the participation in weekly Sunday Mass, preferably as a family;
- * to join with the teachers to instill in my/our child(ren) the values traditionally shared by Catholics so that there is no conflict between these values and the example found at home;
- * to abide by and support all school procedures and policies as listed in the School Handbook;
- * to fulfill all financial obligations, including the payment of fees and tuition, in a timely manner;
- * if a member of Our Lady of Mount Carmel Parish, to contribute at least \$15.00 in the weekly Sunday collection to satisfy a sum of \$780.00 by June 30, 2023 or have my/our tuition rate revert to the Out-of-Parish rate for the 2022-2023 school year.
